

THE *Linen* SHOP

To our customers and friends,

I want to express that the health and safety of our community, customers and staff is our top priority at The Linen Shop. In response to the outbreak of COVID-19, we are monitoring updates and diligently implementing all the recommended protocols for continued disinfection. And know, as even before this pandemic, that our staff will not be at work if they are sick or showing signs of contagious illness.

At this time, The Linen Shop plans to be available to serve you however possible but we will take all necessary precautions to ensure our ability to serve you remains safe. To align with our community's efforts for containment, this means we have made the difficult decision to not receive customers in the shop. We invite you to contact us by phone or email so we can assist you.
